

# INTERVIEWING REGAN

## FOR MEDIA OPPORTUNITIES

Regan has been featured across many media channels, podcasts, shows, interviews and online summits. Regan absolutely loves connecting, sharing and giving away value to new audiences. The team receive daily requests for interviews, so in order to help us find if this is the correct match, please can you send:

- ▶ **The content and topic you want Regan to talk about**
- ▶ **Who your audience is**
- ▶ **How you will promote this**
- ▶ **Your social media following and reach**
- ▶ **List size and how often this will be sent out**
- ▶ **Your time zone and link to your scheduler**
- ▶ **Your contact details, including telephone number and Skype or Zoom**
- ▶ **The type of interview: written, verbal, audio or video**
- ▶ **The length of the interview**
- ▶ **When the interview will be featured**

**Please note:** Regan Hillyer International doesn't send out solo emails on behalf of your organisation or as part of summits. Due to such high demand and Regan's busy calendar, Regan Hillyer International will prioritise interviews with high reach and can't guarantee an interview - the team will message you to confirm if your interview has been accepted.
